Re:

Reyes v. Cagen Japanese LLC

Docket No. 1:23-cv-00586 (PAE) (KHP)

03/27/2023

Dear Magistrate Judge Parker:

We represent both defendants in this action. We write to request an extension of time from April 4, 2023 to May 5, 2023 to respond to the complaint in this action.

We request this extension so we may have time to continue discussions about the possibility of an early resolution. The requested extension takes into consideration various court deadlines, appearances, and depositions I have scheduled in April, as well as a vacation. We also request an adjournment of the April 20, 2023 initial conference and related submission until a date after the service of the answer.

Plaintiff's counsel graciously consented to this request. This is our first request for an adjournment and extension.

Thank you for the consideration of this matter.

Very truly yours,

SOKOLOFF STERN LLP
